Utility Addresses before the American Bar Association. Parts I and II 665, 745

Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is too voluminous to be included in this index. These reports are published annually in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, PUBLIC UTILITIES REPORTS, INC., *Munsey Building, Washington, D. C., upon application.)*

Subject Index

ACCOUNTING,
Amortization of plant acquisition adjustments, 368.
Answers to questionnaire on utility policies, accounting, and other matters, 588.
Impact of regulation by accounting and of inflation upon public utilities, 745.

AGRICULTURE,
Power for Soviet farms, 15.

AIR CARRIERS,
Regulation of air transportation under Civil Aeronautics Act, 695.

AMERICAN BAR ASSOCIATION,
Addresses on questions of public interest delivered at annual meeting of Section of Public Utility Law, 665, 745.

ANALYSTS,
Kind and quantity of utility data desired by analysts, 719.

APPEALS,
Courts in relation to utility regulation, 856.

APPLIANCES,
Gas appliance problems explored, 825.

ARBITRATION,
Compulsory arbitration of labor disputes affecting public utilities, 681.

ATOMIC ENERGY,
Atomic energy industry committee, 649.

BONDS,
See Securities.

BUILDINGS,
Origin of names given to plant buildings and structural works of public utility companies, 619, 707, 798, 864.

BUSINESS,
Business responsibility, 239.

BUSSES,
See also Motor Carriers.
Music in transit, 418.
Postwar transit progress, 399.

CABLE CARS,
Passing of Frisco cables, 446.

CALIFORNIA,
Looks to the sea for water, 69.
"Rate boys" ride the trucks, 21.

CAPITAL,
Amortization of plant acquisition adjustments, 368.
Financing utility capital requirements, 636.
REA capital credits program, 349.

CIVIL AERONAUTICS ACT,
Regulation of air transportation under Civil Aeronautics Act, 695.

COAL,
West coast looks to coal fuel, 785.

COLUMBIA VALLEY ADMINISTRATION,
Proposal for creation of, 756, 766.
Survey in CVA territory, 890.

COMMISSIONS,
Air transportation regulation under Civil Aeronautics Act, 695.
Attitude of some more liberal, 814.
California report on motor trucking cost, 21.
Courts in relation to utility regulation, 856.
Higher pay for commissioners, 166.
Reorganizing the commissions, 225.
Senate action on FPC nomination, 32.
Telephone rate regulation during inflation, 155.
What the state commissioners are thinking about, 372.

COMMON STOCK,
See also Securities.
How a utility company raised common stock capital, 777.

CONGRESS,
Problems for second session of 81st Congress, 876.

CONSERVATION,
Gas conservation accomplishments, 592.
State and Federal relations as to conservation, 542.
Unsolved problems in gas conservation, 594.

CONSTRUCTION,
Construction fund interest credits, 41.
Interest credits on construction funds, 305.
Naming of plant buildings and other great structural works, 619, 707, 798, 864.
New installation to meet surging demand for increased service in Toledo, 80.
Plant margins and preventive maintenance to insure against service breakdowns, 791.
Raising new capital for postwar service and construction program, 613.

CONVENTIONS,
American gas convention proceedings, 645.
American transit meeting, 648.
Important addresses on questions of public interest delivered at annual meeting of Section of Public Utility Law of the American Bar Association, 665, 745.
More echoes from EEI meeting, 179.
Retiring EEI president addresses convention, 46.
Views expressed at EEI convention, 117.
What the state commissioners are thinking about, 372.

COÖPERATIVES,
Excise taxes and the co-ops, 165.
Missouri assistance plan for co-op coördination, 27.
REA capital credits program, 349.

CORPORATIONS,
See Holding Companies; Securities.

COST,
Report on motor trucking cost, 21.

COURTS,
Relation to utility regulation, 856.

DEPRECIATION,
Adequacy of current accruals, 816.
Answers to questionnaire on utility policies, accounting, and other matters, 588.
Inflation and depreciation in public utility rate making, 686.

DIVIDENDS,
Financing as you go, 474.

EARNINGS,
Earnings dilemma of "stable" water companies, 37.
Financing as you go, 474.
Small, on new investment of electric utilities, 816.

EBASCO SERVICES,
History of Ebasco Services, 638.

ECONOMICS,
Economic readjustment—healthy readjustment, 240.
Inflation question again, 301.

EDISON ELECTRIC INSTITUTE,
EEI chief speaks out at tenth anniversary conference, 649.
More echoes from meeting, 179.
Retiring EEI president addresses convention, 46.
Views expressed at convention, 117.

ELECTRICITY,
Abatement of nuisance of atmospheric contamination, 208.
America's fastest-growing industry, 48.
Commissioners' views on electric rates, 376.
Developments in field of electric and gas utilities, 678.
Federal-power industry agreement, 164.
Fuel and energy shortages, 512.
Government propaganda technique in public power, 465.
Missouri assistance plan for co-op coördination, 27.
New England water power, 728.
New installation to meet surging demand for increased service in Toledo, 80.
1949 electric utility financing better balanced, 638.
Ownership of electric companies, 851.
Power for Soviet farms, 15.
Power fund fight, 224.
Public power inventory in Nebraska, 201.
Questions about electric industry, 824.
"Rationalizing" electric rate increases, 40.
Retiring EEI president addresses convention, 46.
Semi-outdoor steam electric generating plant, 47.

ELECTRICITY—*continued*
Senate votes funds for public lines, 357.
Seventy years of Edison's electric light, 487.
Socialization of American power industry, 215, 288.
Statement of principles for electric power industry, 823.
Subtle drive for socialized electric power, 146.
Trackless trolleys and the electric business, 274.
TVA as yardstick for other authorities, 267.
TVA idea, 509.
Views expressed at EEI convention, 117, 179.
West coast looks to coal fuel, 785.
Whether public power will stall the utilities, 481.

EMPLOYEES,
Indiana plan for training industry executives, 135.
Selling the company to employees and stockholders, 242.
Top management tips from employees, 629.

EXEMPTION,
How to balance repeal of wartime excise taxes, 333.

FEDERAL COMMUNICATIONS COMMISSION,
Ban on radio give-aways, 360, 430, 499.
Rules on sale of radio stations altered, 34.
Senate passes FCC reform measure, 299.

FEDERAL GOVERNMENT,
Commissioners' views on Federal aid to small telephone companies, 372.
Commissioners' views on Federal intervention, 373.
Commissioners' views on Federal-state coöperation, 374.
Economic expansion bill, 31.
Federal-power industry agreement, 164.
Government propaganda technique in public power, 465.
Power fund fight, 224.
Reorganizing the commissions, 225.
Socialization of American power industry, 215, 288.
State and Federal relations as to conservation, 542.
Subtle drive for socialized electric power, 146.

FEDERAL POWER COMMISSION,
Bid for added power over natural gas, 534.
Gas producers fear Olds, 577.
Reorganizing the commissions, 225.
Senate action on Olds' nomination, 32.
Wallgren appointment to commission, 715.

FEDERAL RESERVE BOARD,
Chairman wants to aid equity financing, 307.

FINANCING,
See also Securities.
Annual review of transit operations, 432.

FINANCING—*continued*
Attitude of some state commissions more liberal, 814.
Capital formation and sources of funds, 369.
Commissioners' views on corporate finance, 372.
Commissioners' views on financing small telephone companies, 375.
Construction fund interest credits, 41.
Financing as you go, 474.
Financing utility capital requirements, 636.
FRB chairman wants to aid equity financing, 307.
Gas trends in 1949, 583.
How a utility company raised common stock capital, 777.
Kind and quantity of utility data desired by analysts, 719.
New fashions in finance, 42.
1948 review of the gas industry, 584.
1949 electric utility financing better balanced, 638.
Problem of raising money for public utilities, 3.
Raising new capital for postwar service and construction program, 613.

FLOODS,
Flood control bill passed, 359.

FREE ENTERPRISE,
Preaching crusade for, 244.

FUEL,
Fuel and energy shortages, 512.
Fuel groups weigh U. S. "yardstick" threat, 810.
West coast looks to coal fuel, 785.

GAS,
American gas convention proceedings, 645.
Appliance problems explored, 825.
Coal men bear down on gas companies, 495.
Commissioners' views on gas rates, 376.
Commissioners' views on gas service, 377.
Conservation accomplishments, 592.
Developments in field of electric and gas utilities, 678.
FPC's bid for added power over natural gas, 534.
Gas producers fear Olds, 577.
Gas security regulation, 635.
National gas expansion, 295.
Natural gas, as essentially a transportation industry, 551.
Natural gas landmarks, 597.
1948 review of the gas industry, 584.
1949 gas roundup, 531.
Panhandle's puzzling victory, 33.
Progress on the gas bill, 294.
State and Federal relations as to conservation, 542.
Trends in manufactured gas industry, 566.
Trends in 1949 with respect to finance, 583.
Unsolved problems in gas conservation, 594.

GOOD WILL,
Community relations with accent on "you," 557.

HOLDING COMPANIES,
Commonwealth & Southern Corporation reorganization—Southern Company areas, 230.
Commonwealth & Southern educates investing public on subsidiary stocks, 500.
History of Ebasco Services, 638.
Holding companies educate the analysts, 438.
Progress of holding company integration, 722.
Quarterly review of holding company progress, 170.
Supreme Court decision in Engineers Case sustains SEC "investment value" theory, 108.

INDIANA,
Plan for training public utility executives, 135.

INFLATION,
Impact of regulation by accounting and of inflation upon public utilities, 745.
Inflation and depreciation in public utility rate making, 686.
Inflation question again, 301.
Telephone rate regulation during, 155.

INSURANCE,
Criticism of insurance companies' utility investments, 232.

INTEREST,
Interest credits on construction funds, 41, 305.

INTERIOR DEPARTMENT,
New Secretary and his policies, 811.
Resignation of Secretary Krug, 809.

INTERSTATE COMMERCE,
Commissioners' views on interstate-intrastate jurisdiction, 376.

INVESTMENTS,
Commonwealth & Southern educates investing public on subsidiary stocks, 500.
Criticism of insurance companies' utility investments, 232.
Ownership of electric companies, 851.
Utilities still blue-ribbon attractions for investors, 315.

INVESTMENT VALUE,
Supreme Court decision in Engineers Case sustains SEC "investment value" theory, 108.

LABOR,
Bell pension plan challenged, 879.
CIO sets up one phone union, 35.
Compulsory arbitration of labor disputes affecting public utilities, 681.
Phone operators vote for CIO, 106.
Policy guides for good labor relations, 310.
Says pay hikes lag, 431.
Senate increases wage-hour exemption, 429.

LEGISLATION,
Columbia Valley Administration proposal, 756, 766.

LOBBYING,
When a lobbyist is not a lobbyist, 425.

MAINTENANCE,
Preventive maintenance to insure against service breakdowns, 791.

MOTOR CARRIERS,
See also Busses.
Postwar transit progress, 399.

MUNICIPALITIES,
Current developments in communications field in municipal taxation and in rate regulation discussed at Bar Association convention, 673.

MUSIC,
Music in transit, 418.

NAMES,
Naming of plant buildings and other great structural works, 619, 707, 798, 864.

NATIONAL ASSOCIATION OF RAILROAD AND UTILITIES COMMISSIONERS,
What the state commissioners are thinking about, 372.

NATURAL GAS,
See also Gas.
Fuel groups weigh U. S. "yardstick" threat, 810.

NEBRASKA,
Public power inventory in Nebraska, 201.

NEW ENGLAND,
New England water power, 728.

ODDITIES,
Public utility oddities, 99.

PENSIONS,
Bell pension plan challenged, 879.

PHONEVISION,
"Phonevision" setup planned, 300.

PIPE LINES,
Natural gas, as essentially a transportation industry, 551.

POWER,
See Electricity.

PROPAGANDA,
Government propaganda technique in public power, 465.

PRUDENT INVESTMENT,
Commissioners' views on prudent investment, 383.

PUBLIC OWNERSHIP,
Fuel groups weigh U. S. "yardstick" threat, 810.

PUBLIC OWNERSHIP—*continued*
Government propaganda technique in public power, 465.
Power fund fight, 224.
Public power inventory in Nebraska, 201.
Socialization of American power industry, 215, 288.
Subtle drive for socialized electric power, 146.
TVA as yardstick for other authorities, 267.
TVA idea, 509.
Whether public power will stall the utilities, 481.

PUBLIC RELATIONS,
Businessmen urged to aid transit, 403.
Community relations with accent on "you," 557.
Survey in CVA territory, 890.

PUBLIC UTILITIES,
Answers to questionnaire on utility policies, accounting, and other matters, 588.
Community relations with accent on "you," 557.
Expansion in the Southland, 281.
Indiana plan for training industry executives, 135.
Inspection of utility plants, 174.
Kind and quantity of utility data desired by analysts, 719.
Naming of plant buildings and other great structural works, 619, 707, 798, 864.
Public utility oddities, 99.
Selling the company to employees and stockholders, 242.
Top management tips from employees, 629.
Utility show must go on, 791.
Virginia keeps its public utilities running, 843.
What the state commissioners are thinking about, 372.

QUESTIONNAIRE,
Answers to questionnaire on utility policies, accounting, and other matters, 588.

RADIO,
See also Television.
Federal Communications Commission ban on give-aways, 360, 430, 499.
"Phonevision" setup planned, 300.
Radiotelephone network, 33.

RATES,
California report on motor trucking cost, 21.
Commissioners' views on electric rates, 376.
Commissioners' views on gas rates, 376.
Commissioners' views on interim rate regulation, 375.
Commissioners' views on price fixing and rates, 380.
Commissioners' views on rate increases, 377.
Commissioners' views on telephone rates, 379.
Consolidated Edison gains a round in rate litigation, 111.

RATES—*continued*
Current developments in rate regulation discussed at Bar Association convention, 673.
Higher taxes mean higher rates, 342.
Inflation and depreciation in public utility rate making, 686.
"Rationalizing" electric rate increases, 40.
Telephone rate regulation during inflation, 155.

RECLAMATION BUREAU,
Resignation of Secretary Krug, 809.

REFUND,
Commissioners' views on rate refunds, 378.

REGULATION,
Air transportation regulation under Civil Aeronautics Act, 695.
Commissioners' views on progress in regulation, 382.
Commissioners' views on small company regulation, 384.
Courts in relation to utility regulation, 856.
Current problems discussed at Bar Association meeting, 665.

RIVERS,
Columbia Valley Administration proposal, 756, 766.

RURAL ELECTRIFICATION,
Missouri assistance plan for co-op coördination, 27.
REA capital credits program, 349.

RUSSIA,
Power for Soviet farms, 15.

SAFETY,
Commissioners' views on safety regulation, 379.
Transit angles on safety precautions, 441.

SECURITIES,
See also Financing; Holding Companies.
Annual review of transit operations, 432.
Answers to questionnaire on utility policies, accounting, and other matters, 588.
Brochures and analyses issued, 364.
Capital formation and sources of funds, 369.
Commonwealth & Southern educates investing public on subsidiary stocks, 500.
Criticism of insurance companies' utility investments, 232.
Equity capital worries Congress, 31.
Fifty per cent phone debt ratio "safe," 107.
Financing as you go, 474.
Financing utility capital requirements, 636.
FRB Chairman wants to aid equity financing, 307.
Gas security regulation, 635.
Gas trends in 1949, 583.
How a utility company raised common stock capital, 777.
Kind and quantity of utility data desired by analysts, 719.
1948 review of the gas industry, 584.

SECURITIES—*continued*
1949 electric utility financing better balanced, 638.
Problem of raising money for public utilities, 3.
Raising new capital for postwar service and construction program, 613.
Supreme Court decision in Engineers Case sustains SEC "investment value" theory, 108.
Utilities still blue-ribbon attractions for investors, 315.

SECURITIES AND EXCHANGE COMMISSION,
Reorganizing the commissions, 225.

SERVICE,
Commissioners' views on gas service, 377.
Commissioners' views on postwar service, 380.
Commissioners' views on telephone service, 380.
Expansion in the Southland, 281.
Plant margins and preventive maintenance to insure against service breakdowns, 791.
Problems for small telephone companies, 87.
Raising new capital for postwar service and construction program, 613.

SMOKE,
Abatement of nuisance of atmospheric contamination, 208.

SOCIALISM,
Businessmen urged to aid transit to avoid socialization trend, 403.
Socialization of American power industry, 215, 288.
Subtle drive for socialized electric power, 146.
Whether public will ever get wise to, 120.

STATES,
Commissioners' views on Federal-state coöperation, 374.
State and Federal relations as to conservation, 542.

STATISTICS,
Annual statistical publications, 302.

STOCKHOLDERS,
Greeting the new stockholder, 312.
Ownership of electric companies, 851.
Selling the company to stockholders, 242.

STOCKS,
See Securities.

STORMS,
Missouri assistance plan for co-op coördination, 27.

STREETCARS,
See also Transportation.
Music in transit, 418.

STRIKES,
Virginia keeps its public utilities running, 843.

TAXES,
Commissioners' views on taxes, 382, 384.
Excise taxes and the co-ops, 165.
Higher taxes mean higher rates, 342.
How to balance repeal of wartime excise taxes, 333.
New bill to remove excise taxes, 296.
Spreading tax exemptions, 877.

TELEGRAPH,
Western Union plans changes, 35.

TELEPHONES,
Commissioners' views on Federal aid to small telephone companies, 372.
Commissioners' views on telephone rates, 379.
Commissioners' views on telephone regulation, 379.
Commissioners' views on telephone service, 380.
Committee hears Hill Bill advocates, 34.
Congress passes REA phone bill, 580.
Current developments in communications field discussed at Bar Association convention, 673.
House passes phone bill, 167.
Industry problems, 106.
Joker in phone bill, 497.
Plan to aid small phone companies, 297.
Problems for small telephone companies, 87, 704.
Public utility oddities, 99.
Radiotelephone network, 33.
Raising new capital for postwar service and construction program, 613.
Rate regulation during inflation, 155.
REA farm phone bill, 297.
REA phone loans, 812.
Task group formed, 360.
The independent view, 242.

TELEVISION,
Charges color video held back, 360.
Television must stress "vision," 169.
Video interconnections held unlawful, 430.

TENNESSEE VALLEY AUTHORITY,
